The diversity of water sports and other attractions makes Albena favourite place for everybody from every age. The resort has "The Blue Flag" award for its ecologically clean sea and beach

The Botanical garden in Balchik

Situated at only 8 km away from Albena, the Botanical garden in Balchik is a beautiful place, where the Romanian queen Maria built there her own summer residence. It is designed in Bulgarian, Moldovan, Moorish and Oriental styles and all of the stones used for its creation

Cape Kaliakra is one of the most beautiful and historic Capes in Europe. It is a favourite stop for tourists looking for pretty sights and interesting historic places to visit north of Varna. According to legends, the fortress was guarding the treasures of Lyzimah, successor of Alexander the Great. Today there are quite many remains of those ancient settlements, which can be seen exhibited in a small museum.

Aladzha Monastery was established 11-12th century when the hermits first inhabited it. The name of Aladzha Monastery comes from the word of Turkish origin for colourful ("aladjha", "aladjja") due most probably to the bright colors of its wall paintings, dating back to the early Middle Ages.

The show Bulgarian for One Day is a teambuilding game for foreigners. Participants learn how to make traditional banitsa, martenitsa, how to dance Bulgarian horo, and
